Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from History of Reformatory Movements: Resulting in a Restoration of the Apostolic Church, With a History of the Nineteen General Church Councils In preparing this work for the public, we have drawn from the most reliable and distinguished authorities extant. We have prepared the work with much labor and patient research. The present work is the condensation of many volumes. For authorities, we have depended on such standard works as McClintock and Strong's Encyclopedia, Encyclopedia Britannica, Chambers Encyclopedia, Prof. George P. Fisher's History of the Reformation, Philip Schaff's History of the Christian Church, Neander's History of the Christian Religion and Church, and Prof. R. Richardson's Memoirs of Alexander Campbell. In delineating the development of the great apostasy from the original apostolic order of things, in describing the successive Protestant reformations, in setting forth the restoration and identification of the Church of Christ, as accomplished through the labors of Alexander Campbell and his coadjutors, and in giving a brief history of the nineteen cumenical Church Councils, we have followed the order of events as closely as it was possible to be done. We have aimed to give places, dates, and authorities, and corroborating testimony from disinterested parties. In a word, if there is any reliability in history, it will be found in the following pages. We have aimed to present a systematic compendium of Reformatory Movements, and as such we ask our readers to receive our work, bating all imperfections, as purely a labor of love. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical...
