

Refuge: An Unnatural History of Family and Place

By Terry Tempest Williams

Random House LCC US Dez 1992, 1992. Taschenbuch. Book Condition: Neu. 202x134x22 mm. Neuware - In the spring of 1983 Terry Tempest Williams learned that her mother was dying of cancer. That same season, The Great Salt Lake began to rise to record heights, threatening the herons, owls, and snowy egrets that Williams, a poet and naturalist, had come to gauge her life by. One event was nature at its most random, the other a by-product of rogue technology: Terry's mother, and Terry herself, had been exposed to the fallout of atomic bomb tests in the 1950s. As it interweaves these narratives of dying and accommodation, *Refuge* transforms tragedy into a document of renewal and spiritual grace, resulting in a work that has become a classic. 304 pp. Englisch.

Reviews

Unquestionably, this is actually the very best job by any publisher. It really is basic but unexpected situations within the 50 % from the book. I discovered this book from my dad and i advised this publication to discover.
