First released in 1995, this spiritual classic continues to be a bestseller, as thousands each year accept Marjorie Thompson s invitation to the Christian spiritual life. Many new additions, including a new chapter on keeping the Sabbath, make this newly revised edition of Soul Feast a must-have. This newly revised edition will include the following new or updated content: * An all-new introduction, reflecting on the book s twenty-year history and why it has remained so popular. * An all-new chapter on keeping the Sabbath, one of the most life-giving spiritual disciplines in a hurried 24/7 world. It will explore the importance of Sabbath time, and how readers can create space for it when the pace of life seems to be continually accelerating. * A significantly expanded Rule of Life chapter at the end of the book, based on numerous reader requests for more guidance on how to go about creating their own personal Rule. * Some refreshed sidebar quotations from spiritual writers to complement the best ones from the prior editions. * A revised group study guide to reflect the addition of new materials.
