Reviews

The book is not difficult in read through better to recognize. It really is written in straightforward terms instead of confusing. I am happy to inform you that this is actually the finest publication I actually have read in my individual daily life and may be the best book for possibly.
(Valerie Heaney)

ABOUT TIME 1980-1984 SEASONS 18 TO 21 (PAPERBACK)

Mad Norwegian Press, United Kingdom, 2005. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Constituting the largest reference work on Doctor Who ever written, the six-volume About Time strives to become the ultimate reference guide to the world's longest-running science fiction program. Written by Lawrence Miles (Faction Paradox) and long-time sci-fi commentator Tat Wood, About Time focuses on the continuity of Doctor Who (its characters, alien races and the like), but also examines the show as a work of social commentary. In particular, Miles and Wood dissect the politics and social issues that shaped the show during its unprecedented 26-year run (from 1963 to 1989), detailing how the issues of the day influenced this series. As part of this grand opus, About Time 5 examines Doctor Who Seasons 18 to 21 (1980 to 1984)-the end of Tom Baker's time with the show, the whole of the Peter Davison era and the introduction of Colin Baker as the Doctor. Among other things, About Time 5 answers such vitally important Who questions as Why Are There So Many Doubles in the Universe?, Which Stories Have the Best Body-Counts?.
