Createspace Independent Publishing Platform, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A comprehensive book written from the authors experience of 30 years in the construction trades. Filled with daily habitual how-to ideas that will encourage you to be a better worker and keep your job longer. \*\* Although it is easily one of the most difficult, demanding and dangerous jobs in the world, working in the construction industry also carries with it many rewards, both financial as well as personal. Most young people who join the construction trades have dollar signs in their eyes, but do not have the heart to follow through with many of the difficulties associated with this line of work. However, with this book, you ll be able to learn a number of new habits that you can implement into your daily work life, to help you truly appreciate the work that you do, and make this career of yours a long-lasting one. Regardless of the trade that you have chosen, this book has applications for everyone, including sheet metal workers, laborers, carpenters, heavy equipment operators, plumbers, electricians and much more. Regardless of the aspect of the construction industry you are in, this book will speak to you, and help you especially in the tough times. Many people are saying that individuals in the construction industry do not have the work ethic that young men had many years ago. The problem is, every industry is saying the same thing, but it is untrue. Work ethic is still a vital aspect of any job, regardless of what it is, and just like in any other aspect of work or life, there is room for improvement. With this in mind, remember that this is...
