Illustrated History of the Borough of Queens, New York City (Classic Reprint) (Paperback)

By George Von Skal

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Illustrated History of the Borough of Queens, New York City History, in the true sense of the word, is a narrative of past events. But when we undertake to write the history of a city, or of a part of a large city, which is not past and gone, but has rather arrived at the point where its growth and development have received an impetus stronger and more effective than all the factors which in the past have been influential in shaping its destinies, we must as a matter of course take present conditions into account. For history shall not only show us how things and conditions were in the past, but it has the much higher and more important function of teaching us why those who came before us have succeeded or failed, wherein they excelled or what errors they committed, that we may profit by the experience of bygone ages and remain as free from errors as it is possible for mortal man to be. The history of a city that still exists...

Reviews

This written ebook is fantastic. It is probably the most incredible ebook we have read. Its been written in an extremely basic way in fact it is just following i finished reading this publication where basically modified me, affect the way i think.

-- **Howell Reichel**

This type of pdf is every little thing and helped me searching forward and more. It can be writter in easy words and phrases and never hard to understand. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about should you request me).
