Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Around the World in Seventy-Two Days is a book by journalist Elizabeth Jane Cochrane, writing under her pseudonym, Nellie Bly. The chronicle details her 72-day trip around the world, which was inspired by the book, *Around the World in Eighty Days* by Jules Verne. She carried out the journey for Joseph Pulitzer's tabloid newspaper, the *New York World*. As a result of rough weather on her Pacific crossing, she arrived in San Francisco on the White Star liner *Oceanic* on January 21, two days behind schedule. However, World owner Pulitzer chartered a private train to bring her home, and she arrived back in New Jersey on January 25, 1890, at 3:51 p.m. Bly arrived back in New York seventy-two days and six hours after leaving Hoboken. At the time, Bisland was still going around the world. Like Bly, she had missed a connection and had to board a slow, old ship (the *Bothina*) in the place of a fast ship (*Etruria*). Bly's journey, at the time, was a world record, though it was bettered a few months later by George Francis Train, who completed the journey in 67 days. By 1913, Andre Jaeger-Schmidt, Henry Frederick and John Henry Mears had improved on the record, the latter completing the journey in less than 36 days.
