

The Great English Letter Writers: With Introductory Essays and Notes (Classic Reprint) (Paperback)

Filesize: 3.76 MB

Reviews

*Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.
(Dr. Bethany Lindgren)*

THE GREAT ENGLISH LETTER WRITERS: WITH INTRODUCTORY ESSAYS AND NOTES (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from The Great English Letter Writers: With Introductory Essays and Notes The purpose of The Reader s Library is to present in succinct form a survey of English literature. The method adopted is to assemble under generic titles the best specimens of the various branches of literature, in such a way that each volume shall be of equal service to the scholar and the general reader. The first two volumes of the series, The Great English Letter-Writers, are now presented to the public. The selections have been carefully arranged, with a view not to chronological order so much as to the illustration of the growth of the art of letter-writing. The object of the editors has been to present what may be called a pageant-view of their theme: to show how various men and women, scattered through different ages, have borne themselves under the same crises of emotion or action. That which is obviously lost in abandoning a strictly chronological arrangement is recaptured in the introductory essays to each volume, which aim at a general historic survey of the art of letter-writing, together with a critical estimate of the writers, and of their relationship to the literature of their age. Biographical details concerning these writers are contained in the body of the volume. Where a subject cannot be adequately treated in one volume, as is the case with The Great Letter-Writers, each volume contains a separate essay, so that it may be, as far as is possible, complete in itself. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work....
