Pluto Press. Paperback. Book Condition: new. BRAND NEW, Open Borders: The Case Against Immigration Controls (2nd Revised edition), Teresa Hayter, 'A very impressive achievement.' Ann Dummett, founder, Joint Council for the Welfare of Immigrants 'Teresa Hayter has written a formidably comprehensive book on the history, mechanisms, and debates surrounding immigration controls in Britain .The crux of Hayter's argument is that immigration controls do not, will not, & should not work .essential reading.' The new edition brings this seminal work up to date with a lengthy preface exploring how the practices of the British government over the past few years has continued the process Hayter outlines in the main text - of abusive and irrational border controls and the criminalisation of entire communities. This second edition...
