A TREATISE ON THE VALUATION OF LIFE CONTINGENCIES ARRANGED FOR THE USE OF STUDENTS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Treatise on the Valuation of Life Contingencies Arranged for the Use of Students In drawing up the following Treatise on the Valuation of Life Contingencies, I have been guided by the consideration that the greater number of those young men who begin the study of Life Assurance bring a very slight acquaintance with Algebra, or with the Science of Numbers, to assist them. In order to lead such Students gradually forward I have divided the articles into two classes; - those intended for the perusal of beginners, and those which are to be read by advanced Students: the latter are distinguished by having their initial words printed in capital letters, while in the former there is no change of type. By confining his attention to the articles of the first class the young Student will avoid the discouragement of encountering difficulties which he is quite unprepared to surmount, while he may obtain a clear view of those general principles on which actuarial calculations are founded. When he has mastered the valuation of contingencies involving the lives of one and two nominees, he ought to resume the perusal of the Treatise from the beginning, taking the articles of the second class, and fortifying himself, if need be, by the study of those branches of Algebra which he finds to be essential. In the articles of the second class I have endeavoured to lead the student to an appreciation of those higher principles which are needed for the attainment of a complete knowledge of the subject, and have seized the opportunity of exhibiting those steps which lead from the ancient method of limits to the modern...
