Brand New Book ***** Print on Demand *****.Susan Braxton finds herself in an impossible situation. After discovering a naked man climbing into bed with her, she reacts entirely as she ought. She resists and fights him in every way possible. Now she has another problem. She has knocked him out with a bottle of frozen water. She had hit him so hard with it, she might even have killed him! Not only that, but she soon learns, in a phone call from her mother, who assumes that she is still 500 miles away, that he had been a welcome guest in the house for that weekend, while she had not been expected at all. At this very moment, he is upstairs, unconscious, naked, and tied up like a chicken. If she had a shred of dry clothing to her name, she would have dressed and gone, before he came to and discovered who she was, and what she had done to him. Moreover, this was the man-her mother had suddenly informed her in that call-that she had chosen for her daughter as a future husband! As if all of that were not bad enough, the electricity was off, and the temperature was plummeting both inside and out. They might both freeze to death before morning. What was she to do?.
