Concept Publishing Company Pvt. Ltd., 2008. Hardcover. Book Condition: New. This book is on and about Sonia Gandhi. It is, however, not a biography. It is a collection of her speeches delivered from time to time in India and abroad that reflect her multi-faceted personality and thinking. As they go through the book, the readers can themselves assess what Sonia Gandhi is and what the future has to offer through her. The book is published with the sole objective of carrying Sonia Gandhis message to people at large, especially the youth. It would remind the other leaders of the party that unless they emulate the examples set by her, they probably would not be able to connect to the people that they seek to serve. Printed Pages: XVIII, 310.
