So you re gearing up for a killer exercise session, or a big event like a marathon or a triathlon, and you want to avoid all the carbo-loading that s so prevalent amongst endurance athletes. You re interested in fueling your body for the combination of ideal health and performance, and you re ready for weight loss, longevity, health, and breaking your sugar addiction. But is that even possible? Can you really escape the pasta binges and gastrointestinal distress that often accompanies an over reliance on sugar? Can you really be a low-carb endurance athlete? Enhanced Performance Without Expensive Supplements Maybe you know it s possible, but did you also know that there are certain supplements no low carb athlete should be training without? You re probably worried that you ll need to shell out big bucks for obscure supplements, right? Pine pollen? Ant protein? Thankfully, you just need some tried and true favorites that have proved the test of time. The number one supplement for low-carb athletes? It s likely to be sitting...
