The one he d heard when the pain had struck. Clear and urgent, deep inside his head. That click was a Heckler and Koch MP7 personal defence weapon. It fires 950 armour piercing rounds per minute. The sound you heard was the safety catch coming off. No! It was talking rubbish. Mum and dad were outside, they d come back for him. There was no killer with a machine gun behind his bedroom door. How could there be? The voice in his head was a stupid figment of his imagination. It was just stress, after that terrible pain. He could ignore it. All he had to do was open the door.
