Reviews

This is basically the very best book we have go through until now. I have got read and i also am confident that i am going to gonna study once again again in the future. I am just very happy to inform you that this is basically the very best ebook we have read inside my own life and might be he very best publication for at any time.

Redleaf Press, United States, 2013. Paperback. Book Condition: New. 278 x 214 mm. Language: English . Brand New Book. Create a high quality school-age program that is developmentally appropriate and filled with stimulating experiences. Colourful photographs and ideas reflecting the authors visits to a variety of school-age programs, along with questionnaires and worksheets, provide inspiration and guidance as you plan a dynamic environment where children will enjoy their time. Whether your program operates before or after school, on non-school days, during the summer, or overnight, this book will help you think about your space in new ways. As you create a more engaging program, you will be encouraged to consider the * Temporal environment: schedules, routines, rules, and learning opportunities that meet children s needs * Interpersonal environment: the relationships and social interactions of children, staff, families, and the greater community * Physical environment: the indoor and outdoor setting, furnishings, and architectural elements of lighting, colour, and physical layout of the space.
