Sunbury Press, Inc., United States, 2014. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.The year is 1790 and Queen Esther, a notorious American Indian matriarch, travels under cover to observe a U.S.-Iroquois summit at the ancient Teaoga treaty grounds. Will she be able to pass on her wisdom - and warnings - to the Indian villagers before the hostile settlers discover her in their midst? Will troubled native girl Sisketung awaken to Esther s truths and see how wrong-headed the brash settler girl Sarah was? Moving two centuries forward, restless tweener Maddy Winter also visits Teaoga, now a quiet riverfront town on the Pennsylvania-New York border. She tunes in to the region s dramatic lost history and soon encounters spirits in the wind. As she gains in wisdom, Maddy longs to take on Esther s mantle of the peace woman, but will she find the courage to do right in her own life? Drawing richly from the historical record, Visions of Teaoga captures a world in upheaval. Readers sit at a native story circle and learn of the tensions and treachery besetting the Eastern frontier. As Maddy and her modern-day compatriots enter the story, they ponder how our history was recorded and by whom. The book is a perfect companion for middle-school history classes, with discussion questions and other supplemental materials provided on the author s website, WHAT OTHERS ARE SAYING: A fascinating, well-written, must-read book for anyone interested in the Munsee Delaware culture and history -- and the history of American Indians in general! -- Chief Little Soldier, Tribal Chief, Munsee Delaware Indian Nation-USA Accurate, thought-provoking and curriculum-related. Excellent read! --Valerie Jacoski, Director emeritus, Tioga Point Museum -- ABOUT THE AUTHOR Jim Remsen is a professional writer and...
