Brand New Book ***** Print on Demand *****.Excerpt from Political Thuggery; Or, Bribery a National Issue: Missouri's Battle With the Boodlers, Including the Great Fight Led by Folk, Joseph Circuit Folk, and the Uprising of the People of the State Fifty-three foreign governments, our Federal government, and all the States of the American Union are participating in the Louisiana Purchase Exposition, which represents a total expenditure of \$50,000,000, and covers more space than the Chicago, Paris, and Centennial expositions combined.
