

## A Happy Classroom: The Joy of Learning (Paperback)

By Lois Allan Dommersnes

Outskirts Press, United States, 2014. Paperback. Book Condition: New. 277 x 208 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Just imagine millions of students, young and old, all over the world, sitting still and listening. Are they happy? I think not. It has been observed by educators and confirmed by non-verbal/mathematical evaluations that there is a measurable discrepancy between the potential and the actual performance of many students. Conclusion reached is that the way we educate our students in educational establishments, does not produce successful or happy people. The purpose of this book is to identify and describe the raw material we have, the students and their environment, the tools we have, books, computers and the product we hope to produce creative and productive students. To achieve this we need to design activities that will allow the students to be involved with each other and independent of each other. We must also take into account special gifts, varied abilities, and handicaps. Activities which do not address the above conditions such as text books exercises, rote learning, and various busy work tasks are killers of all the attributes we love in our students - spontaneity, creativity, enthusiasm,...
