A TIME TO TELL: STORIES AND RECOLLECTIONS OF A RABBI FROM KRISTALNACHT TO THE PRESENT (PAPERBACK)

AUTHORHOUSE, United States, 2004. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The early 1930 s were a period of dire foreboding for the entire world. The dark clouds of World War II were rapidly gathering, as the Jewish population of Europe was becoming especially vulnerable to the most hideous form of genocide that had ever been devised. It was with this background that a young boy made his way to school on the morning after Kristalnacht. In the fascinating and absorbing chapters that follow, the author, Norbert Weinberg, vividly describes how his family made it to the shores of America, via a year in London. Dressed in European-style knickers and hardly able to speak English, the boy tackles his social and educational challenges. His success is apparent when he is ordained as a rabbi at Yeshiva University in New York. Many captivating incidents and situations are discussed as the rabbi meets with personages such Senator Edward Kennedy, President Jimmy Carter and opens a session of the House of Representatives with an invocation. But the heart of the book lies in his warm relationships with congregants, members of other faiths and family. The pages are infused with humor as when, for example, the rabbi is housed in a small hotel in Quebec City, Canada, for a rabbinical interview. A brooding portrait of Jesus stares at him from over his bed. How do they get along? Or when, in that same city, he was invited to a formal event at which everyone raised a glass of wine to toast the Queen and his wine was not kosher. Was this a soluble predicament? The poignant pages of this book promise to warm the heart of every reader.
