Brand New Book ***** Print on Demand *****.Excerpt from Considerations in Answer to the Pamphlet: Containing Mr. Madison s Instructions to Mr. Munroe The following sheets are dedicated as a subject, if not of instruction, at least of reflection, before they again plunge into a war, without duly weighing its principles and merits; and who by experience have learnt the difficulty of overturning established customs, as well as having been witnesses to the dire effects that have been, and ever will be felt, when attempts are made to substitute novel forms or doctrines, in lieu of old customs and privileges. To the prudence of the people who enjoy so large a share in the Union, and who have so much at stake, and whose peculiar interests I am more acquainted with than those of the Southern States, I have addressed myself, in hopes that under existing circumstances, they will pursue a firm, candid and unprejudiced line of conduct, conformable to truth, honor, morality and integrity, without which, the measures of a country are corrupt, and its government disposed of by intrigue, which is the rapid precursor of anarchy and ruin.
