

The Company Words Keep: Lexical Chunks in Language Teaching (Paperback)

By Paul Davis, Hania Kryszewska

Delta Publishing, United Kingdom, 2012. Paperback. Book Condition: New. 246 x 190 mm. Language: English . Brand New Book. The Company Words Keep is a practical and thought-provoking guide for language teachers, showing how the latest insights into language chunks can lead to learners acquiring natural and fluent English. Here is a new methodology based on the Lexical Approach, a practical theory of language, of learning - and of teaching. The authors have drawn on their considerable experiences to reflect both on the situation of many non-native teachers around the world who are not always sure which word partnerships are likely and unlikely as well addressing native speakers who still need point-of-need confidence in class and in the key terms involved in the teaching of lexical chunks. They provide: an approach to all aspects of teaching chunks: from beginners to advanced, from ESP to exam preparation.; a glossary of essential terms: from acronyms to the Web, deixis to delexification, priming to pragmatics.; and a new methodology: a practical theory of language, of learning - and of teaching. The Company Words Keep contains three distinctive parts which focus in turn on theory, practice and development: Part A: answers three key questions:...
