Reviews

A really amazing ebook with lucid and perfect answers. It is really simplistic but excitement in the 50 % in the publication. I am just happy to explain how this is actually the best pdf i actually have study during my individual daily life and may be he greatest ebook for possibly.

HUSBANDS SHOULD NOT BREAK (PAPERBACK)

Resource Publications (CA), United States, 2015. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.In October 2010, Shane Clifton had a serious accident that left him a quadriplegic. *Husbands Should Not Break* is a memoir that describes the challenges of adjusting to life with a disability. Shane is a theologian by trade, so the memoir explores the problem of pain--where is God when we suffer--weighing the sometimes-abstract categories of theology against the harsh realities of his experience. It is a brutally honest account, which does not shy away from the author's doubts and failures, and touches on rarely spoken-about topics, such as the impact of spinal cord injury upon sexuality. But while the narrative deals with sadness, it is a hopeful rather than depressing text, and often surprisingly funny, as it describes the comedic strangeness of struggling with a broken body. The memoir is an invitation into Shane's mind, providing readers with the opportunity to imagine what it might be like to experience the loss that comes with spinal cord injury and, thereafter, to think about life, loss, disability, and the possibility of happiness in the midst of the hardship and fragility of life. This no-holds-barred account from one of the most brilliant theologian-surfers from *Down Under*, who woke up from an accident as a quadriplegic, will clear away stereotypes about disability, inspire faith from the perspective of a chair, and challenge sloppy thinking about some of the most intractable conundrums. Don't pick up this book unless you are ready to be moved, infuriated, and interrogated all at the same time. --Amos Yong, author of *The Bible, Disability, and the Church: A New Vision of the People of God*. How does someone cope with a life-changing...
