## PRO-LIFE PROVERBS BOOK 1 (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. Gaius Famius (illustrator). 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.100 Pro-Life and Royalty Free Proverbs and Sayings for use on Bumper Stickers, T-Shirts, Church Signs, Protest Signs, Email Signatures, Graphics, Church Bulletins, Newsletters, Church Signs, and other uses. This collection of pro-life proverbs has been written by Gaius Famius to express many different facets of life in regards to being pro-life and anti-abortion. Each proverb can stand on its own, or in conjunction with other proverbs in the book. Some will offend you. Some will make you cry. Some will make you smile or laugh. All of them should make you think. Many of the proverbs are very, very Christian in nature, but even atheists will find proverbs in this book that they will like. So risk being offended, and read for what you can learn. The proverbs in this book are uncompromisingly, 100 pro-life, without exceptions, making clear that abortion is murder in all circumstances, and the only way to deal with the guilt of this murder is admission of committing the murder, repentance, and forgiveness. Without admission, repentance, and forgiveness, nations will never reach the point of absolutely abolishing abortion. Without the absolute abolition of abortion, there will inevitably be judgment for the crime against humanity of slaughtering children. This collection of pro-life proverbs and quotes by Gaius Famius is being presented royalty-free so that pro-lifers may use them where they need to. Think of these as old fashioned clip art. The buyer doesn't own the art, but may use it in their own creations to further their own projects. These royalty-free proverbs may be used for any number of purposes, including but not limited to, Bumper Stickers, T-Shirts, Church...
