Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The world in which we live follows several rules, paradigms and values that are strongly interconnected between themselves, in order to trap human beings in a mental state that we believe to be good and define our humanity. However, humanity is just the product of a specific conceptualization, expanded into a general perspective about life, as well as borrowed from it. This perspective is today worldwide accepted, thanks to the massive power of the media and education, transforming billions of people in soldiers of this system, and making them completely ready to detach from their relatives, friends, and even their own will to live, if there isn't a perfect match between who they are, who they want to be and what they want others to become. The need to be accepted while refusing the state of being, drives many to force such acceptance from others, with quarrels, gossips and even massive wars, if needed, to achieve this goal. And in-between these clashes, we have racist Christians, xenophobic Muslims, selfish Buddhists, mad Satanists and arrogant Hindus, that although not representing any truth, contribute to the massive lie in which religion has become, making the most truthful seem apart from the path that these groups created for themselves. For the vast majority of the population, still in its most primitive spiritual state, their messiahs must come from the sky, their buddhas must perform miracles, and their gurus don't wear jeans and short hair, and can't be born in the western world. And while inside this delusional paradigm about what is and must be, they believe that they know what is good and bad, and that these concepts...
