Idea Design Works, United States, 2009. Paperback. Book Condition: New. 224 x 147 mm. Language: English . Brand New Book. It s been 60 years since the scientists at Los Alamos first created the advanced robots CJ-531 and RAH. CJ-531 and RAH were launched on a mission to explore space - and never returned! The government classified them as lost - but in reality, CJ has spent decades building a brotherhood of robots: Jo the rescue bot, Pango the builder bot, and Carson, the team player, bringing them all to life with the special robotic life force found in the 7th Ring of Saturn. But the evil robot RAH wants control of the 7th Ring, and after a fierce battle between RAH and CJ, CJ starts to wonder if he really is different from his evil half. CJ must learn more about his origins, so he travels to earth in search of his creator. What surprises await CJ on Planet Earth - and will RAH follow him?.
