Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.As its economy has grown to be the seventh largest in the world, Brazil has utilized its newfound economic power to consolidate its influence in South America and play a larger role in international affairs. The Obama Administration s National Security Strategy recognizes Brazil as an emerging center of influence, and welcomes the country s leadership on bilateral, hemispheric, and global issues. U.S.-Brazil relations generally have been positive in recent years, though Brazil has prioritized strengthening relations with neighboring countries and expanding ties with nontraditional partners in the developing South. While some foreign policy disagreements have emerged, the United States and Brazil continue to engage on issues such as security, energy, trade, human rights, and the environment.
